REMARKS

Applicants request an early examination of the present application and claims.

Claims 1-42 are pending.

The amendments to the specification and claims find support throughout the originally filed disclosure and, thus, do not introduce new matter.

In accordance with 37 CFR 1.821 et seq., applicants submit a substitute paper copy and an original computer readable form of the Sequence Listing. The Sequence Listing does not include new matter, and the contents of the paper copy and the computer readable form are believed to be the

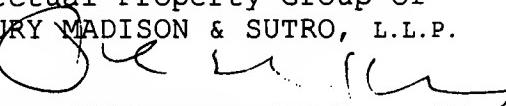

CHOO et al - U.S. Natl. Stage of PCT/GB95/01949

same. Acknowledgment that the present application complies with the Sequence Rules is requested.

The Examiner is invited to contact the undersigned if further information is needed.

Respectfully submitted,
